PRESENTS**

JANET MCGARRY & WILDWOOD

Gail Mullen . Dylan Ferguson . Serge Bernard . Janet McGarry . Denise MacLeod

Come out and join us for a great afternoon of music, featuring a unique selection of songs from the early days of country and old-time music set in an acoustic style that is truly a unique experience. We offer a variety of warm hearted songs and talk a little about the music we play. The sounds of gospel, old time country, and bluegrass music will ring on the old five string banjo, mandolin, flat-top guitar, doghouse bass and fiddle.
