

National Fiddling Day Jam

Paul O'Regan Hall, Halifax Central Library

Sat., 19 May, 2018. 11 am to 1 pm

2 hours of fiddle tunes. Bring your fiddle and join in as we fill the main floor of Halifax's spectacular new library with Old Time / Down East music. This is a splendid opportunity for our fiddling community to take advantage of a high profile venue at a peak traffic period.

Dancing will be encouraged.

A set list of familiar pieces with keys will be provided well before.
