

After a hiatus of 8 years the PEI Bluegrass and Old Time Music Festival is proud to re-establish it's, always popular, band showcase.

This showcase is open to bands that are up and coming, have never played at our festival before and are a bona fide band that has been together as a working unit for a reasonable length of time. In other words, no pickup bands.

The showcase will be held on Friday morning of the festival beginning at approximately 9 AM.

The showcase will consist of:

- 1. A maximum of 5 bands**
- 2. A minimum of 3 bands**
- 3. The sets will be of 30 minutes duration including setup time.**
- 4. Voting will be done by the attendees of the festival by ballot.**
- 5. The successful band will be given a set on Sunday afternoon, will be paid \$500 and will get a opportunity to negotiate a contract for the 2019 festival..**
- 6. Each band member will receive admission to the festival for themselves and their significant other (only).**
- 7. If more than 5 bands apply the first 5 applications will be accepted. If one of the first five bands cannot fulfill their commitment the next application in line will be contacted.**
- 8. If less than 3 bands apply the showcase will not be held.**
- 9. Please forward your expression of interest to:**
