

ROXEEN & DALRYMPLE

a classic guitar & mandolin vocal duet

Nova Scotia's Roxeen & Dalrymple may be the province's newest acoustic act, however, they are far from being new on the music scene. Teamed together originally twenty-five years ago, they are now re-united after a life of separate musical paths. Roxeen & Dalrymple is a classic guitar and mandolin duet, a tour de force of vocals, rhythm and traditional melodies.

Individually the duo consists of Roxeen Roberts and Gary Dalrymple. Collectively they are highly respected, veteran musicians with impressive musical resumes. They are multiple East Coast Music Awards (ECMAs) nominees, Maritime Gospel Music Awards (MGMA) nominees, and have won numerous Eastern Canadian Bluegrass Music Awards (ECBMAs). They have toured coast to coast in Canada and the United States and now, after careers of extensive travel, performing and recording, the duo couldn't be more excited as to where they have landed musically.

Roxeen & Dalrymple honestly love and cherish the classic sounds of traditional country, bluegrass and gospel music. They honour the music of the past yet embrace the present through their own originality. The duo is a fusion of their passion and understanding of the music that they grew up on and of the lives that they have lived. Their show is delivered with a deep-rooted sincerity that only a lifetime of being emersed in authentic, traditional music can bring. Give a listen and you are sure to be entertained.
